Boxer Memorials 2004-05

THE WALL

IN LOVING MEMORY.... *The following memorials were made to remember "The Dogs We Have Lost." These dogs have been memorialized on The Wall, an ongoing tribute to the Dogs We Have Lost. The Wall is tangible evidence of the lasting impression of our Boxers and the legacy of love they leave behind. As we look at these familiar and unfamiliar names, we can't help but be touched by the love that these Boxers engendered. The Wall will be on display at each ABC and on our Website and will be ongoing.*

Gone, but never forgotten...
