

2013-2014 Wall, Honorariums, Memorials and Kudos

The following donations were made to honor or memorialize the names that are in bold letters. We are deeply grateful for each and every donation because each represents love and caring. The money raised through these donations are placed in the ABCF Memorial Endowment Fund where only a portion of the income can be used to address health issues. When a grant is made, the AKC Canine Health Foundation partners with ABCF in funding, which maximizes the impact of our dollars. The corpus is never spent, therefore, this Endowed Fund will keep giving to our breed in perpetuity.

Donations as of April 24, 2014
