

2014-2015 Wall, Honorariums, Memorials and Kudos

The following donations were made to honor or memorialize the names that are in bold letters. We are deeply grateful for each and every donation because each represents love and caring. The money raised through these donations are placed in the ABCF Memorial Endowment Fund where only a portion of the income can be used to address health issues. When a grant is made, the AKC Canine Health Foundation partners with ABCF in funding, which maximizes the impact of our dollars. The corpus is never spent, therefore, this Endowed Fund will keep giving to our breed in perpetuity.

Donations as of March 31st, 2015

Memorial Wall as of April 2015

The ABCF Memorial Wall is dedicated to the memory of the wonderful Boxers we have lost. The money raised with these memorial dollars is invested in the ABCF Memorial Endowment Fund. Only the income from the Fund will ever be spent, leaving the corpus to grow and keep giving to our Boxers...forever! Each year, as we add new names, we cherish the memory of each of these Boxers and rededicate ourselves to addressing the health issues that affect our beloved breed. **This Memorial Wall is perpetual** and will be added to each year to remind us why we support the Foundation. Currently over 1350 of our Boxers are listed on The Wall. You may always view an updated version of The Wall on our website at www.abcfoundation.org.
