PRESIDENT'S REPORT

The week of the May 6-12 the most important week of the year for ABCF. Our fundraisers held during the ABC National Show week are the biggest fundraisers of the year and very important to the work that ABCF is able to do.

If you are able to attend the show please also show your support for ABCF by attending the ABCF dinner, purchasing raffle tickets, donating to the ABCF auction and attending the auction in person. If you cannot attend the events in person you can still support ABCF through auction donations, donating directly to ABCF and by becoming an ABCF member.

Included in the newsletter is information on how you can participate in all these activities. Thank you for all your support over the last 22 years and we look forward to all the festivities in May!

Respectfully,

William C. Truesdale, D.V.M.

President

Update on Hemangiosarcoma Research- Wednesday, May 10, 8pm

Dr. James Modiano will be presenting an update on Hemangiosarcoma Research on Wednesday, May 10 at 8pm in the Golden Ballroom. Dr. Modiano is doing research at University of Minnesota and the is lead researcher for the ABCF funded study Research Project 02234-MOU: A Novel Approach for Prevention of Canine Hemangiosarcoma.

The research being done at University of Minnesota is showing a lot of promise for medication that increase survival time with fewer side effects benefiting our boxers and eventually human cancer treatment

Come join us for the update from Dr. Modiano and learn about the research that your ABCF dollars help support!
